Copies of the restrictive covenants and dedicatory instrument may be obtained from the county clerk. You are obligated to pay assessments to the property owners' association. The amount of the assessments is subject to change. Your failure to pay the assessments could result in a lien on and the foreclosure of the Property. **If Buyer is concerned about these matters, the TREC promulgated Addendum for Property Subject to Mandatory Membership in a Property Owners' Association should be used.**

(3) STATUTORY TAX DISTRICTS: If the Property is situated in a utility or other statutorily created district providing water, sewer, drainage, or flood control facilities and services, Chapter 49, Texas Water Code, requires Seller to deliver and Buyer to sign the statutory notice relating to the tax rate, bonded indebtedness, or standby fee of the district prior to final execution of this contract.

(4) TIDE WATERS: If the Property abuts the tidally influenced waters of the state, §33.135, Texas Natural Resources Code, requires a notice regarding coastal area property to be included in the contract. An addendum containing the notice promulgated by TREC or required by the parties must be used.

(5) ANNEXATION: If the Property is located outside the limits of a municipality, Seller notifies Buyer under §5.011, Texas Property Code, that the Property may now or later be included in the extraterritorial jurisdiction of a municipality and may now or later be subject to annexation by the municipality. Each municipality maintains a map that depicts its boundaries and extraterritorial jurisdiction. To determine if the Property is located within a municipality's extraterritorial jurisdiction or is likely to be located within a municipality's extraterritorial jurisdiction, contact all municipalities located in the general proximity of the Property for further information.

(6) PROPERTY LOCATED IN A CERTIFICATED SERVICE AREA OF A UTILITY SERVICE PROVIDER: Notice required by §13.257, Water Code: The real property, described in Paragraph 2, that you are about to purchase may be located in a certificated water or sewer service area, which is authorized by law to provide water or sewer service to the properties in the certificated area. There may be a period required to construct lines or other facilities necessary to provide water or sewer service to your property. You are advised to determine if the property is in a certificated area and contact the utility service provider to determine the cost that you will be required to pay and the period, if any, that is required to provide water or sewer service to your property. The undersigned Buyer hereby acknowledges receipt of the foregoing notice at or before the execution of a binding contract for the purchase of the real property described in Paragraph 2 or at closing of purchase of the real property.

The assessment may be due annually or in periodic installments. More information concerning the amount of the assessment and the due dates of that assessment may be obtained from the municipality or county levying the assessment. The amount of the assessments is subject to change. Your failure to pay the assessments could result in a lien on and the foreclosure of your property.

- D. BUYER'S SELECTIONS: If the Construction Documents permit selections by Buyer, Buyer's selections will conform to Seller's normal standards as set out in the Construction Documents or will not, in Seller's judgment, adversely affect the marketability of the Property. Buyer will make required selections within \_\_\_\_\_ days after notice from Seller.
- E. COMPLETION: Seller must commence construction no later than \_\_\_\_\_ days after the effective date of this contract. The improvements will be substantially completed in accordance with the Construction Documents and ready for occupancy not later than \_\_\_\_\_, 20\_\_\_\_. The improvements will be deemed to be substantially completed in accordance with the Construction Documents upon the final inspection and approval by all applicable governmental authorities and any lender (Substantial Completion Date). Construction delays caused by acts of God, fire or other casualty, strikes, boycotts or nonavailability of materials for which no substitute of comparable quality and price is available will be added to the time allowed for substantial completion of the construction. However, in no event may the time for substantial completion extend beyond the Closing Date. Seller may substitute materials, equipment and appliances of comparable quality for those specified in the Construction Documents.
- F. WARRANTIES: Except as expressly set forth in this contract, a separate writing, or provided by law, Seller makes no other express warranties. Seller shall assign to Buyer at closing all assignable manufacturer warranties.
- G. INSULATION: As required by Federal Trade Commission Regulations, the information relating to the insulation installed or to be installed in the Improvements at the Property is: (check only one box below)

All stated R-Values are based on information provided by the manufacturer of the insulation.

H. Any possession by Buyer prior to closing or by Seller after closing which is not authorized by a written lease will establish a tenancy at sufferance relationship between the parties. **Consult your insurance agent prior to change of ownership and possession because insurance coverage may be limited or terminated. The absence of a written lease or appropriate insurance coverage may expose the parties to economic loss.**

11. **SPECIAL PROVISIONS:** (Insert only factual statements and business details applicable to the sale. TREC rules prohibit licensees from adding factual statements or business details for which a contract addendum, lease or other form has been promulgated by TREC for mandatory use.)

If taxes are not paid at or prior to closing, Buyer will be obligated to pay taxes for the current year.
- B. ROLLBACK TAXES: If Seller's change in use of the Property prior to closing or denial of a special use valuation on the Property results in additional taxes, penalties or interest (Assessments) for periods prior to closing, the Assessments will be the obligation of Seller. Obligations imposed by this paragraph will survive closing.

**14. CASUALTY LOSS:** If any part of the Property is damaged or destroyed by fire or other casualty after the effective date of this contract, Seller shall restore the Property to its previous condition as soon as reasonably possible, but in any event by the Closing Date. If, due to factors beyond Seller's control, Seller fails to substantially complete the improvements by the Closing Date or fails within the time allowed to make any non casualty repairs or deliver the Commitment, or survey, if required of Seller, Buyer may (a) extend the time for performance up to 45 days and the Closing Date will be extended as necessary or (b) terminate this contract as the sole remedy and receive the earnest money. - C. **DEMAND:** Upon termination of this contract, either party or the escrow agent may send a release of earnest money to each party and the parties shall execute counterparts of the release and deliver same to the escrow agent.
